## Word of Life International Church

*Dedicating your baby is a special occasion in every family's life and we would like to help prepare you for the ceremony by mentioning a few things.*

### 1 week prior to event

- ⇒ Call the church office to make sure that you have the correct date for the dedication. Confirm that your baby's picture has been received.
- ⇒ Confirm the date with family and friends.
- ⇒ Send them directions to the church and the time they should arrive. We suggest you have your guest arrive between 10:00 am and 10:15 to allow for enough time for seating your guest near the front of the church. (Reference our website for directions: [www.wol-ag.org](http://www.wol-ag.org))

### Day of the event

- ⇒ Collect your family and friends in the front section of the church before the start of morning worship.
- ⇒ Be available to come to the front for the dedication at the close of the morning announcements.
- ⇒ For pictures: the Senior Pastor and his wife will be available at the close of service, near the altar for photos with your family/friends.
