

Adored Gala

We are **Adored** by the God who sees us, knows us, and loves us. There is nothing hidden from His sight. He sees our deepest needs, our greatest struggles, our hidden longings, and our brokenness. He sees us completely and He also sees the destiny He has for us. We are valued, cherished, and adored by the God who sees us.

The Adored Gala is going to be a very special evening of ministry as we hear and learn more about how special we are to Him and how He desires for us to know Him better and allow Him to bring transformation into our lives.

Make your plans now to come, join us, and be a part of all that awaits you at the Gala – the ministry, special speakers, fellowship, music, and elegant dining in a 4-star hotel. Invite your mother, daughter, sisters, nieces, aunts, or friends!! For some, they will use this as an early Mother’s Day celebration.
